

New Child and Family Services Intake and After-Hours Arrangements

► Effective November 24, 2003 ◀

New arrangements for intake and after-hours services are being introduced in the Interlake as part of the restructuring of the child and family services system in Manitoba.

Under these new arrangements, four child and family services agencies have been designated to provide intake and emergency after-hours services, each in a distinct geographic area of the Interlake (as shown on the map).

When intake or emergency after-hours services are required, call the designated agency in your area:
