

The word "Dubai" is rendered in a large, stylized serif font. Each letter features a horizontal rainbow gradient: 'D' is purple-to-red, 'u' is orange-to-yellow, 'b' is yellow-to-green, 'a' is green-to-blue, and 'i' is blue-to-purple. The letters have a soft, grey drop shadow beneath them, giving a three-dimensional effect.

Fly Ski Dubai

The image shows a large window display for 'Fly Ski Dubai'. The display is set within a frame of perforated metal. The scene inside the window is a snowy mountain landscape. In the foreground, several people are visible, some standing and others in motion, suggesting a ski lift or a ski run. A red metal railing runs across the lower part of the display. In the background, there are snow-covered rocks, evergreen trees, and a ski lift structure. A sign with the text 'Fly Ski Dubai' is prominently displayed in the upper center of the window. The overall atmosphere is winter-themed and recreational.

A photograph of the Burj Dubai (now Burj Khalifa) under construction. The tower is the central focus, rising vertically from a cluster of other skyscrapers. Several red construction cranes are visible around the base of the tower and among the other buildings. The sky is a clear, pale blue. The text 'Ex Burj Dubaï' and 'Tour la plus haute au monde' is overlaid in a light blue oval in the upper right corner.
