"He has sent me to proclaim liberty to captives, and recovery of sight to the blind, to let the oppressed go free." (Lk 4:18)

Magnificat is honored to present Dr. Margaret A. Schlientz. We were so impressed when we heard her teach at the Conference on Healing at Mundelein Seminary, that we had to invite her to CA! Dr. Schlientz has a M.A. Degree in Theology (Marquette University); a M.A. Degree in Spirituality (Creighton University); a M.A. Degree in Psychiatric Nursing (University of Maryland); and a Doctorate in Psychiatric Nursing (University of Pittsburgh). In her professional career as an administrator and teacher at Marquette University, she developed the integration of the psychological and spiritual relationship necessary for human growth and development. She is the Assistant Director of the Institute of Priestly Formation at Creighton University, where she teaches and ministers to diocesan seminarians. She directs the Conference on Healing at Mundelein Seminary. In honor of the Blessed Mother, she will give her testimony revealing how the Lord used her personal "*fiat*" for the service of His people, especially priests and seminarians. This woman of God radiates the gifts of wisdom, knowledge and understanding that help us to better know and understand ourselves and God.

We realize the \$30.00 investment is a sacrifice for most people. We trust that God will return your investment a hundredfold in the outpouring of His blessing upon our assembly. Please bring a friend.
