Genealogy of family ORLOVAC

Updated September 19, 2006

ENGLISH: The genealogical research of family Orlovac from Bukovica, parish Trn (former parish Barlovci, Petricevac and Ivanjska) diocese Banja Luka, Bosnia & Herzegovina. Here is also a short history of Bukovica and family Orlovac.

I am creating this site to helping keep the Orlovac family history alive. I hope that members of our family and other people will help me to create it adding their own knowledge, photographs, documents etc...

Thank you very much to Msgr. dr. Anto Orlovac on helping, gathering and sharing the most of these data with me.

I'm really concerned about getting any information on our family. All contributions are welcome.

I am sorry, I don't have full control over html code on this site. The site is template based and it is impossible to link all documents as I wish.

Veliko hvala msgr dr. Anti Orlovac na nesobicnoj pomoci, prikupljanju i slanju vecine podataka iz crkvenih matica.

Veoma sam zainteresiran za dobivanje bilo kakve informacije o nasoj obitelji. Svacija pomoc je dobro dosla.

Unapred se ispricavam zbog toga sto nemam potpunu kontrolu html koda na ovoj stranici. Stranica je bazirana na principu predlozaka, tako da nije moguce povezati sve dokumente onako kao bih ja to zelio.
