INTERIORS

In the 294BHS you will find an array of luxury features standard in the Bullet. The oversized sink, hidden spice rack, and large countertop makes meal preparation easy. When you are ready to unwind, take a seat on the upgraded pillow backed sofa or relax in your master bedroom with the swivel entertainment center. Upscale furniture throughout and real hardwood cabinet doors make this lightweight trailer a campers dream.

In the 180FBS shown in the Sagebrush décor space is not an issue. You will find room to sleep 5 and all the amenities you need to relax while enjoying North America's beauty.

The bunkroom in the 294BHS is the ultimate kids hangout. During the day they will love playing in all the space provided and at night the oversized rollover sofa, bunk beds and trundle bed makes sleeping 4-6 kids a breeze.

LUXURY

Bullet's large single basin sink is over 3" deeper than the competition. There's not much chance for overflow from our sink.

The triple drawer arrangement is conveniently located and concealed. Built with metal guides and not plastic.

Our bed side laundry chute makes it easy to get your dirty clothes out of the way.

No need to worry about where to put all the spices... we have a special place tucked away in the valance!

With oversized counterspace, 9" deep single basin sink, triple drawer arrangement and deep cabinets, the kitchen in your Bullet allows for convenient preparation as well as unmatched storage! Need your spices? The valance above the kitchen window offers storage for several spice bottles. Hidden, yet easily accessible.

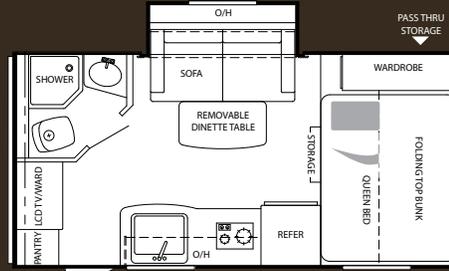

The plush interior in the 278RLS is sure to help you relax. Take a seat in the large pillow backed swivel chairs and gaze outside the huge rear window. Spread out in the u-shaped dinette with room for guests or just the two of you!

FEATURES

Sleek exterior profile with LED lights and diamond plate for protection.

AM/FM/CD/DVD Stereo with iPod hook-up for your entertainment.

Bullet provides an exterior BBO hook-up standard on all models.

Outdoor waterproof speakers add to your camping experience. No more need for the second radio.

Night shades are more durable, private and easier to function than traditional mini blinds.

Stainless steel RV-O (optional) makes grilling a snap!

Bullet's unique LP Cover allows you to access tanks without having to remove cover.

Hot and cold water source for dirty feet, dishes, grills and camping gear. Located outside away from your awning.

Easy lube axles make wheel maintenance easy! No need to take the whole wheel off when repackaging wheel bearings.

Heated and enclosed underbelly extends your camping season and protects from debris.

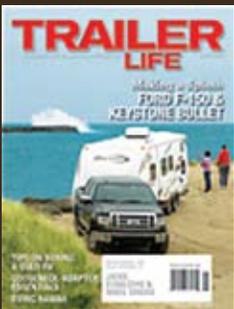

Radius exterior door with gas strut provides strength and durability compared to a square door with a plastic latch.

One Touch Electric Awning

Extending or retracting your awning no longer requires 2 people. Simply touch a button and you are ready to camp.

FEATURED COVERAGE

"The Keystone Bullet is a welcome addition to the lightweight trailer market. It's fully featured for a family and makes for easy towing."
May 2009 Trailer Life

"As well as towing easier, the aerodynamic Bullet trailer felt much better on the road."
RV Lifestyle Vol. 38 No. 1

AERODYNAMIC AIR FLOW

"The Bullet tows nicer than a lot of other travel trailers."
William with Star Fleet

More storage than any in its class!

Wide stance axle system

ABOVE: Bullet's wide stance axles will help eliminate porposing and provide a smoother and more stable towing experience.

LEFT: Got storage? We do! 40.3 cu. ft. in your Bullet pass through storage area. Better than any Ultra Lite in its class.
